30<sup>th</sup> March 2023

Dear Parents/Carers

I would like to take this opportunity to introduce you to our new parental information and communication system; **EduLink One**. We are keen to maintain good communication between families and school. EduLink will keep you up to date with information on your child including their timetable, achievements, behaviour, and attendance.

We are launching this with parents and carers of students in **Year 10** first so that they are ready for parents/carers evening after Easter.

EduLink is a purpose-built parental communication tool in the form of an iOS and Android App, with support from a website for those unable to access the apps. If you have more than one child at the school, you will only require one account and all children will be visible through this.

To access this new tool, you will need to either:

- Search for EduLink One from the Apple App Store or Google Play Store and install the App to a mobile device. You can have it on multiple devices if you wish.
- If you do not have a device suitable for the app, you can access the same great features through the website at <https://www.edulinkone.com/>.

For security, the new system requires an individual parent login username and password. Your individual login details are:

Username: <<<<< Username >>>>>

Password: <<<<<< Password >>>>>>

Our school ID is **TMC**.

Once installed, please refer to your email from EduLink and follow the instructions to complete your setup. Once you have completed your setup, please visit our website where there is a dedicated section with user guides on how to use EduLink. These can be found at <https://www.themarvellcollege.com/parents/edulink-one> on our website. If you have any problems, please contact (your child's Year Team/admin email).

Please note that your login details are unique to you and your child. Your details will expire after 14 days if not used, please contact your child's Year Team for further guidance.

Yours Sincerely

Mr. P Martin  
Assistant Headteacher
