- Post-16 Options

This evening is designed to communicate key information around a number of important events affecting your child during Year 11, as well as providing you with an opportunity to ask any questions.

In addition, there will be useful guidance as to how parents and carers can effectively support students during this period of time. **Due to the large number of families expected to attend, it would be appreciated if only one parent attended with each child. Where possible please make arrangements for any siblings.**
