

Parenting Dyslexic Children – Free Online Event

Do you have concerns regarding your dyslexic child and would like to talk with other parents/carers who are in a similar position? Are you looking for additional support to help your child with their dyslexia but aren't sure what to do? Would you like ideas on how to support your dyslexic child at home?

Join Dyslexia Sparks' free online support session – **Thursday 10th June 10-11am** – for an open discussion forum on parenting dyslexic children.

We understand that the past year has been turbulent time for everyone – the forum will provide a space for parents and carers to talk through any concerns they may have regarding their dyslexic child at this time.

This session will be of interest to any parents and carers of dyslexic children. Led by Dyslexia Sparks' Founding Director, Jane Craig, this online support group provides the opportunity to gain advice from our specialist team and to virtually meet and chat with other parents of dyslexic children.

Dyslexia Sparks is Hull and East Yorkshire's only registered charity for dyslexia and associated specific learning difficulties. The session is held as part of our free, monthly online parent support group which often features particular topics and guest speakers.

Places are free but limited and must be booked in advance to receive the online meeting link. For further details and to book, please visit our [Eventbrite page](#) or contact us directly at nicola.markham@dyslexia-sparks.org.uk.

Team Sparks look forward to seeing you online then!
