SCHOOL & SPORTSWEAR

Thank you for your patience and consideration whilst shopping with us in these challenging times.

We have extended our hours and have put measures in place which strictly adhere to the government guidelines on social distancing to ensure everyone is safe!

Please take the time to read our Covid-19 policies:

- 1) Online Ordering - If you already know the sizes of the uniform please use our online ordering system at www.steadyschoolwear.co.uk - Please allow 14 working days for the order to be shipped safely by courier to your designated home address. Please check the 'Measuring and Size Guide' page on our website to help measure your child correctly. Please ensure to check our refunds and exchange policy before you make your purchase.
- 2) Customers may shop in maximum parties of 2; but only when this consists of 1 adult and 1 pupil. This means that we will only allow the following parties into the shop; 1 singular pupil, 1 singular adult OR 1 adult shopping with 1 pupil. If you have more than one child attending the school then this is also ok with one adult only.
- 3) Customer limits in the shop – We will only be allowed to have a certain amount of customers in the shop as per the government guidelines.
- 4) A queuing system will be implemented outside of the shop with floor markings to help customers keep a 2m distance between each other.
- 5) We will have a separate Entrance and Exit door to minimise contact – all signs will be made visible.
- 6) Perspex screens are in place at the tills and we encourage contactless payments where possible. All staff are provided with Personal Protective Equipment.
- 7) We will be adhering to government guidelines to close changing rooms to prevent the spread of Covid-19 between pupils trying on the same garments. We appreciate that this will be difficult for parents, so we are politely requesting that where possible parents could have their sizes ready when entering the shop. We have attached a sizing guide to help.

TOP TIP – If parents/guardians could check what sizing their child is currently wearing then this will help us to choose the correct size for the pupil much more quickly.
- 8) Staff will also be on hand to assist with sizing.

Traditionally, any items of school uniform are sold in a specific inch size, not by age.

If you are used to buying by age we advise that you measure your child and check the [age/inch comparison size guide](#) for each product.

Where possible, we have provided an [AGE / INCH COMPARISON](#) sizing on each individual product to help you order online.

Garment sizes in inches are a "to fit" size, therefore if your child measures a 26" chest, we would advise you to order a 26" chest, given that garments are made to fit that specific chest size. Only order a larger size if you are allowing room for growth.
