12th November 2021

Dear Parent/Carer

Re: Year 11 Subject Teacher Evening: Thursday 25th November 2021

I would like to formally invite you to the Year 11 Subject Parents' Evening at The Marvell College on Thursday 25th November from 4.00pm - 7.00pm.

As your child is in Year 11, we feel it is really important to provide an opportunity for you to meet with each of your child's subject teachers. The purpose of this evening is to discuss your child's academic progress based on their last academic report.

During these meetings, your child's teachers will discuss a range of things with you including their progress, completion of homework, dates of upcoming mock exams, dates of the examinations in Summer 2022, as well as provide you with an overview of coursework as well as provide you with an overview of coursework and controlled assessment deadlines which are applicable.

It will also be useful to discuss ways your child can revise at home, as well as ways you can support your child to achieve their full potential in each subject. For example, you may wish to ask questions such as:

- What is my child's potential and are they set to achieve this?
- What revision is available for my child to do after school?
- What can my child do at home to ensure they are successful?

It is worth noting that the terminal summer examination period starts week commencing Monday 16th May 2022 and will finish Tuesday 28th June 2022. No student can have an absence during this period.

In terms of arranging the appointments for the evening, students will be asked to manage their own appointments with their subject teachers and they will be given their sign-up sheet for this the week before the evening. Please note, there will be a five-minute appointment per subject.

Finally, should you have any queries about this event, or the summer exam period, please contact your child's Tutor via the student planner or alternatively, contact the Year 11 Pastoral Team on 799132 or alternatively via email on Y11PastoralTeam@themarvellcollege.com.

I look forward to seeing you on Thursday 25th November.

Yours faithfully

Mr Lynch
Head of Year 11
