9th February 2022

Dear Parent/Carer

Re: Year 7 Subject Parents' Evening: Thursday 17th February, 2022- 4.00pm-7.00pm.

I would like to formally invite you to the Year 7 Subject Parents' Evening at The Marvell College on **Thursday 17th February 2022, from 4.00pm-7.00pm**

As your child is in Year 7, we feel it is really important to provide an opportunity for you to meet with each of your child's subject teachers. The purpose of this evening is to discuss your child's academic progress based on their last academic report.

During these meetings, your child's teachers will discuss a range of things with you including their progress, completion of homework and their attitude to learning. It will also be useful to discuss ways your child can learn at home, as well as ways you can support your child to achieve their full potential in each subject. For example, you may wish to ask questions such as:

- What is my child's target and are they set to achieve this?
- What can my child do at home to ensure they are successful?

In terms of arranging the appointments, students will be asked to manage their own appointments with their subject teachers and they will be given their sign-up sheet this week. Please note, there will be a five-minute appointment per subject.

Finally, should you have any queries about this event. Please contact your child's tutor via the student planner or alternatively, contact the Year 7 Pastoral Team via the email Y7PastoralTeam@themarvellcollege.com.

I look forward to seeing you on Thursday 17th February 2022.

Yours faithfully

Mr L Mitchell
Head of Year 7
